An OSINT right-wing enthusiast pass info to the notorious Sayeret Golani to bomb a hospital where [@Reuters] was live-streaming. They do it. Now he admits that they are probably journalists and say he was directly involved in the process including guiding the drone to the place

From Israeli Radio 94 today:

At least 20 people were killed, including five journalists, by an Israeli attack on Nasser Hospital in Khan Younis, Gaza.

Two shells hit the hospital in quick succession - the second exploding as journalists and rescue workers arrived at the scene.

The UN said the killing of [Show more](#)

OSINT enthusiast Hayun had likely noticed the camera five days earlier on this stream, when the events began & then told Sayeret Golani it was a Hamas camera

The unit which this year alone carried out the largest massacre of aid workers listened & went on to commit another massacre
