The reservists in the Yemen field who guard the terrorists, and serve alongside the arrested fighters, tell us today in a first interview: "Soldiers are harassed. The terrorists get VIP treatment. Our abductees don't get a quarter of that. They are given food, water, fruit and ice to have cold water. Every day a doctor checks them and there is no mistreatment of the terrorists."

Hardcore Bibist, prominent Likudnik Ran Karmi Buzaglu, is spreading blatant lies about the "Nukhbas" sodomizing each other.

Everyone who was actually paying attention until now, knows that the Palestinian abductees at Sde Teiman are cuffed and blindfolded throughout the day.

A source from the field of Yemen: The Nou'ahs commit acts of sodomy on each other as a matter of routine. It can be proven if they just look at the cameras

A senior official in the Yemeni field says that almost every morning there are Noachba terrorists who come to the clinic because the terrorists commit acts of sodomy on each other. According to him, everything is filmed on cameras, So it can be easily proved.

Even if it turns out that the terrorist was indeed raped, it is likely to be one of his cellmates, and not a soldier.

The cop who was injured last night by the water hose used by soldiers, in attempt to disperse the crowd outside Beit Lid's detention facility.

"Arab-fucker, may terrorists fuck you, al-Jazeera, leftist traitors!"

Kan 11 reporter with a testimony about the violence towards her in Beit Lid yesterday.

Translated from Hebrew by Google

I was a bit busy yesterday covering the anarchy in Beit Lid, but it is recommended that someone wake up here before journalists are murdered here. Yes, I meant to kill him, we really are not very far from there.

Kicking, pushing, spitting, chasing with clinging to the body, a triple finger jab in the face, throwing water, tampering with equipment, stealing a microphone, all this along with swearing: "Fucking with Arabs" "Terrorists will fuck you" "Slut" "Al Jazeera" "Fly Ye whores" "Leftists are traitors. Only 14".

This is what the attack looked and sounded like that Talia the photographer and I went through yesterday in a nearby house.

Talia, in the middle of the attack, while I'm trying to collect some of the equipment so that we can get away from the crowd, she yelled excitedly to the police officer next to her: "Come help" He looked at her and turned his head back to his cell phone. A second before it escalated even more, other policemen picked up and "opened a secure axis for us" to keep us away from the attackers. Later, one of the policemen explained to me that with all the good will, their job is not to guard journalists at the demonstration. Later in the evening, while I was documenting the break into the base on my cell phone, a protester from the burglars came towards me and politely warned in his ear: "You better stop taking pictures now! Because if not, I'll tell everyone that you're from here at 11 and then I'm not responsible for how it ends."

I have already experienced attacks by extreme right-wing activists, guarding walls in Lod, in the territories, in demonstrations, in short, this is not new, we as a society are already in the abyss.

Now we'll just see when and how and especially whether we'll get out of it. Because even if we leave, it seems that it won't be in peace.

הייתי קצת עסוקה אתמול שעות בסיקור האנרכיה בבית ליד אבל מומלץ שמישהו יתעורר פה לפני שירצחו כאן עיתונאים. כן, התכוונתי ירצחו, אנחנו באמת לא ממש רחוקים משם.

בעיטות, דחיפות, יריקות, רדיפה עם היצמדות לגוף, תקיעת אצבע משולשת בפנים, זריקת מים, חבלה בצידוד, גניבת מיקרופון כל זה לצד הקללות: "מזדיינת עם ערבים" "שמחבלים יזיינו אותך" "שרמוטה" "אל ג'זירה" "תעופו יה זונות" "שמאלנים בוגדים. רק 14".

כך נראתה ונשמעה התקיפה שטליה הצלמת ואני עברנו אתמול בבית ליד. טליה, באמצע התקיפה, בזמן שאני מנסה לאסוף חלק מהציוד כדי שנתרחק מההמון צעקה נסערת לשוטר לידה: "בוא תעזור" הוא הביט בה והחזיר ראש לסלולארי. שניה לפני שזה הסלים עוד יותר קלטו שוטרים אחרים ו"פתחו לנו ציר מאובטח" להרחקתנו מהתוקפים. אח"כ הסביר לי אחד השוטרים שעם כל הרצון הטוב, עבודתם זה לא לשמור על עיתונאים בהפגנה. בהמשך הערב, במהלך תיעוד בסלולארי שלי את הפריצה לבסיס, בא לעברי מפגין מהפורצים והזהיר בנימוס באוזן: "כדאי שתפסיקי לצלם עכשיו! כי אם לא, אני אגיד לכולם שאת מכאן 11 ואז אני לא אחראי איך זה יגמר". חוויתי כבר תקיפות ע"י פעילי ימין קיצוניים, בשומר חומות בלוד, בשטחים, בהפגנות, בקיצור, זה לא חדש, אנחנו כחברה כבר בתהום. עכשיו רק נראה מתי ואיך ובעיקר האם נצא ממנו. כי גם אם נצא, מסתמן שזה לא יהיה בשלום.

Oh BTW, today the army apologized in the Knesset for raiding Sde Teiman yesterday to arrest the alleged rapists. They also apologized for the Military Policemen being masked, even though earlier another branch of the army said they got masks on after they were attacked by the soldiers with pepper spray.

Still, the military prosecution asked for remand and the soldiers are still under arrest. The head military prosecutor now has body guards, after receiving death threats and being called "traitor" and "Nukhba" by many online and at the riots last night.

MK Limor Son Har Melech claims that the "Nukhba" tried to smuggle a phone and the soldiers were only trying to retrieve it in order to thwart the smuggling. I noticed that's a widely circulated lie.

The story the suspects are currently sticking to claims that the victim was a dangerous and violent "senior Nukhba", a Hamas company commander, and that they only did what was necessary in order to restrain him.

Netanyahu's Channel 12 mouthpiece Amit Segal is now trying to strengthen their claim.

Dozens of protesters are outside the court in Beit Lid, cursing the military prosecutor and threatening journalists.

Apparently the Shin Bet alerted the police in advance yesterday that there might be attempts to break into Beit Lid. It wasn't really needed though, because it was obvious to anyone. The police is now just another one of the militias operating under the command of Ben Gvir.

Today on Channel 14's, a panel member called the head of the military prosecution "Judenrat" (Jews who cooperated with the Nazis during the holocaust)

Another Channel 14 panel member said that the head prosecutor, the IDF spokesperson and the chief of general staff, along with any others who were involved in the arrest of the rapist soldiers, are all traitors.

Right now outside the home of the head military prosecutor: a right-wing protest in support of the rapist soldiers. A main target of the protest, except for the prosecutor, is Channel 12's reporter Guy Peleg, who published the rape video.

In this video from the protest we can see people stomping on placards saying "Channel 12" & "Channel 13". The guy with the megaphone calls them "abomination channels", and calls on Shlomo Karhi to shut down "al-Jazeera 12". The channels are regarded by many in Israel as "leftist"

The protest outside the prosecutor's home, in the bourgeois town of Ramat HaSharon, have taken place daily since the arrest of the rapist soldiers on Monday last week. It seems like tonight's demonstration is bigger than most days though.

According to right wing news outlet Channel 7, one of the soldiers suspected of rape at Sde Teiman is a Druze. Reportedly, leaders and members of the community are mobilizing to protest his arrest and are going to hold a demonstration today outside of the Beit Lid military court.

""Sde Teiman Affair", is a post-modern Dreyfus Affair, which the authorities of the Jewish state plot in these very moments against their own soldiers... It stems from an auto-antisemitic and auto-immune conception"

Ariel Kahana, another pseudo-journalist from Israel Hayom (same paper as Yehuda Schlesinger) gives his unhinged take on the Sde Teiman rape case. He's basically calling it a blood libel in a tweet which in itself sounds like a blood libel.

Translated from Hebrew by Google

"The Yemen Field Affair", is a post-modern Dreyfus plot, which the authorities of the Jewish state embroider in these very moments against its own soldiers.

The "affair" is not based on proof, evidence or testimony (the terrorist did not even complain), and there is plenty of evidence to the contrary.

Rather, it stems from an auto-anti-Semitic and auto-immune conception, according to which we are as bad as our enemies (hence the title, "We haven't reached the difficult cases yet").

well no!!!

In my eyes, in our eyes, every person, and certainly an IDF soldier, is entitled until proven guilty.

And in this case, I'm already saying that even if a conviction is achieved in a thousand and one Zdorov exercises, I will be very skeptical about its credibility, until there is indisputable proof. This story is simply unbelievable.

IDF soldiers are heroes and righteous - this is my investigative conception.

בעיני, בעינינו, כל אדם ובוודאי חייל צה"ל, זכאי עד שלא הוכחה אשמתו.

ובמקרה הזה אני כבר אומר שגם אם תושג הרשעה באלף ואחד תרגילי זדורוב, אהיה ספקן גדול לגבי אמינותה, עד שלא יהיו הוכחות בלתי ניתנות לערעור. הסיפור הזה פשוט בלתי אמין.

חיילי צה"ל הם גיבורים וצדיקים - זו הקונספציה החקירתית שלי.

Another pro-rapist-soldiers demonstration outside the Beit Lid military court. Protesters are chanting "This is Sodom! This is Sodom!"

And who's better to chant "THIS IS SODOM!" than the genocidal hitler-loving Kahanist ex-MK Moshe Feiglin?

It seems like this is indeed Sodom.

The media could not be played.

The rapist soldiers (the ones who were still in custody) were released to house arrest today. According to the military court, they are not considered a threat to the public.

At the Knesset committee hearing two days ago, the military prosecutor stated that 74 investigations against IDF soldiers have been opened since October 7. Only 6 indictments so far, 5 for weapon theft and just one for abuse of a Palestinian captive.

הפצ"רית בוועדת חוץ ובטחון- מתוך עשרות אלפי לוחמים שפעלו בעזה נפתחו רק 74 חקירות שמתוכם הוגשו 6 כתבי אישום כשמתוכם 5 על גניבות נשק ורק 1 על התעללות בעצור שהוגש לפני שבוע.
